Amman - Jordan

SUMMARY

Frontend Developer with a background in Computer Engineering, experienced in developing interactive web applications using React, TypeScript, and ArcGIS Experience Builder. Skilled in modern frontend technologies, UI/UX optimization, and geospatial solutions. Passionate about building scalable and user-friendly applications.

EDUCATION

- **Bachelor's degree in computer engineering**
  - United Arab Emirates University (2020-2024)

SKILLS

- **Frontend Development:** HTML, CSS, JavaScript, TypeScript, React.js, SCSS, SASS

- **Geospatial Development:** ArcGIS Experience Builder, ArcGIS APIs

- **Tools & Platforms:** Git, Visual Studio Code, Anaconda, Spyder, Jupyter Notebook, Cisco Packet Tracer, Microsoft Office Suite

- **Soft Skills:** Problem-Solving, Team Collaboration, Communication, Leadership

PROFESSIONAL EXPERIENCE

Frontend Developer

GISTEC, Amman (Jan 2024 – Present)

- Develop and maintain web applications using React, TypeScript, and ArcGIS Experience Builder.
- Design and implement scalable UI components, improving application responsiveness and performance.
- Integrate ArcGIS APIs to enhance geospatial data visualization and user interaction.
- Collaborate with cross-functional teams to develop GIS-based solutions for various industries.
- Optimize existing applications, reducing load times and enhancing UX.

UNIVERSITY INTERNSHIP

Web Developer

GISTEC, Sharjah (Sep 2024 – Dec 2024)

- Designed and deployed responsive web applications using HTML, CSS, and JavaScript.
- Integrated APIs for dynamic data visualization, improving data accessibility.
- Developed interactive GIS applications, enhancing spatial analysis capabilities.

PROJECTS

- **AI Virtual Assistant for Autonomous Vehicles** – Improved driver attentiveness by 30% through AI-driven communication.
- **IoT & ML-Based Smart City Optimization –** Top 10 UAEU Graduation Project, applying ML models to urban planning.
- **Embedded Systems: Smart Car Robot** – Developed an autonomous navigation system using Python.
- **Wireless Network Optimization for IoT** – Conducted network performance studies, improving efficiency.

CERTIFICATIONS

- **Frontend Development –** Simplilearn
- **Project Management –** LinkedIn Learning
- **GIS Apps & ArcGIS –** Esri
- **Data Science & Networking –** Cisco
